Dexter Township Resident,

July 01, 2017

The Dexter Township Board of Trustees is attempting to accurately determine the extent of availability of true High-Speed Broadband (Internet) in Dexter Township. We have studied the service area in broad terms, but we don't have accurate information on each property in the Township.

We have formed a Broadband Research Committee to gather detailed information on Broadband accessibility. If you would be interested in serving on this committee, please contact Trustee Mike Compton [mcompton@dextertownship.org](mailto:mcompton@dextertownship.org), or Supervisor Harley Rider [supervisor@dextertownship.org](mailto:supervisor@dextertownship.org)

To help us gather accurate information, we are asking all Dexter Townships property owners to complete the enclosed survey. This survey will help us determine the extent of the areas in Dexter Township that have High-Speed Broadband and those that don't have access.

If you would like more information on this survey, please contact any Dexter Township official.

Please return your completed survey with your tax payment, Dexter Township Dropbox (Blue Box by Township Hall Entrance), or mail to *Dexter Township Broadband, 6880 Dexter-Pinckney Rd, Dexter, MI 48130*

Please return your survey as soon as possible, but no later than September 14, 2017.

Sincerely,

Michael J Compton | Trustee | [mcompton@dextertownship.org](mailto:mcompton@dextertownship.org)
