Ann Arbor, Michigan 48103

## MEDIA ADVISORY

**WHO:** To media representatives, the motoring public and all interested parties

**WHAT:** LANE CLOSURE

**WHEN:** Effective Tuesday, April 14, 2015 Until Further Notice

**WHERE:** North Territorial Road over the Huron River, Dexter Township

**WHY:** Bridge Repair Project

**BACKGROUND:** On April 14, 2015, the Washtenaw County Road Commission will begin work on North Territorial Road over the Huron River, just east of Dexter-Pinckney Road, in Section 13 of Dexter Township. The work will include the replacement of joints, concrete patching, epoxy overlay and riprap replacement.

Due to the nature of the work, North Territorial Road will be restricted periodically throughout the summer. During periods of active work at the site, traffic on North Territorial Road will be maintained over the bridge with the use of temporary traffic signals. Motorists are advised that long delays can be expected. At the completion of each phase of work, the road will be fully reopened to traffic. A media advisory will be released prior to the implementation of each traffic restriction.

**It is anticipated that work during the current phase will take approximately three weeks to complete.** The second phase of work is anticipated for mid-June, with the final phase anticipated after July 1st. However, please be advised that due to weather restrictions, all dates are tentative and subject to change.

To maintain the safety of road crews, please reduce speeds and drive cautiously through the work zone. The Road Commission thanks you in advance for your patience as these necessary improvements are completed.
